2024 Washtenaw County Responsive Basic Needs Grant Scoring Rubric									
Weight	Scoring Category	(0) Poor- Does Not Satisfy	(1) Fair: Satisfies Some	(2) Good Satisfies Most	(3) Excellent: Satisfies All	Total Points			
3	Program Narrative: Overall Alignment	Requirements Organization does not demonstrate rationale/alignment between the presented challenge(s), proposed services, and the qualifications of the organization to address the challenges.	Requirements Organization demonstrates some rationale/alignment between the presented challenge(s), proposed services, and the qualifications of the organization to address the challenges. However, it is not clear that the issue they are addressing	Requirements Organization's rationale/alignment between the presented challenge(s), proposed services and qualifications of the organization tends toward the too-specific or too- general, but overall the argument holds.	Requirements Organization provides a clear and compelling rationale, description and alignment between the presented challenge(s), proposed services and the qualifications of the organization to address the challenges.	9			
2	Program Narrative: Access to Working Families	Organization does not demonstrate how they promote access within the context of their environment and service population and does not offer services on multiple days AND times that are convenient to working families.	is acute/urgent. Organization provides some evidence that that they promote access within the context of their environment and service population and offer services on multiple days OR times that are convenient to working families, but not both.	Organization demonstrates that they promote access within the context of their environment and service population and offer services on multiple days AND times that are convenient to working families, but the rationale tends toward the too-specific or too- general.	Organization provides a clear and compelling rationale for how they promote access within the context of their environment and service population and offer services on multiple days AND times that are convenient to working families.	6			
3	Target Service Area: ALICE Municipalities	The estimated percentage of clients/recipients that will be served through this grant who reside in municipalities with a large ALICE population is less than 25%	The estimated percentage of clients/recipients that will be served through this grant who reside in municipalities with a large ALICE population is 25 %	The estimated percentage of clients/recipients that will be served through this grant who reside in municipalities with a large ALICE population is 50 %	The estimated percentage of clients/recipients that will be served through this grant who reside in municipalities with a large ALICE population is 75% or more	9
