

FY 2024 United Way Global Volunteer Month Microgrant Scoring Rubric

FY 2024 United Way Global Volunteer Month SCORING RUBRIC						
Weight	Scoring Category	(0) Poor- Does Not Satisfy Requirements	(1) Fair: Satisfies Some Requirements	(2) Good Satisfies Most Requirements	(3) Excellent: Satisfies All Requirements	Total Points
1	Number of Volunteers	<10 volunteers	N/A	N/A	10+ volunteers	3
1	Project Scale	10 - 19 volunteers	20 - 34 volunteers	35 - 49 volunteers	50+ volunteers	3
1	Project Date	Project does not occur during project period (April 1 - 30, 2024)	N/A	N/A	Project occurs during project period (April 1 - 30, 2024)	3
1	Project Location	Project location is outside of Wayne, Oakland and/or Macomb counties	N/A	N/A	Project location is outside of Wayne, Oakland and/or Macomb counties	3
3	Project Description	The objective(s) of the project, how the objective(s) will be achieved, and/or volunteer roles are entirely unclear. The project's tie to a community need may not be clearly demonstrated.	The objective(s) of the project, how the objective(s) will be achieved, and/or volunteer roles are somewhat clear. The project's tie to a community need may not be clearly demonstrated.	The objective(s) of the project, how the objective(s) will be achieved, and/or volunteer roles are fairly clear, although more details could be provided. The project's tie to a community need is at least partially demonstrated.	The objective(s) of the project, how the objective(s) will be achieved, and/or volunteer roles are entirely clear. The project's tie to a community need is clearly demonstrated.	9
3	Project Impact	Project's impact on the community is not defined and there is no	Project's impact on the community is loosely defined,	Project's impact on the community is somewhat defined	Project's impact on the community is clearly defined and the project description shows a direct	9

		clear correlation between project description and project impact.	however the project description shows little to no correlation with the impact outlined.	and the project description shows some correlation with the impact outlined.	correlation with the impact outlined.	
2	Volunteer Experience	Volunteer roles are not described, or volunteer roles described do not at all exhibit attributes of a positive volunteer experience in which volunteers will make a meaningful contribution to the applicant organization's mission.	Volunteer roles described exhibit attributes of a somewhat positive volunteer experience in which volunteers will make a meaningful contribution to the applicant organization's mission.	Volunteer roles described exhibit attributes of a generally positive volunteer experience in which volunteers will make a meaningful contribution to the applicant organization's mission.	Volunteer roles described clearly exhibit attributes of an excellent volunteer experience in which volunteers will make a meaningful contribution to the applicant organization's mission.	6
2	Tools and Materials Needed and Detailed Budget	Applicant has not provided budget details and/or project supplies will not impact the project's success.	Applicant provides some budget details and/or supplies show some correlation with the project's success, although significant budget details and/or supplies do not have a clear purpose in the context of the proposed project or significant budget components appear to be missing.	Applicant provides most budget details and/or supplies show good correlation with the project's success, although some budget details and/or supplies may not have a clear purpose in the context of the proposed project.	Applicant provides a detailed budget for supplies that will directly impact the project's success. All budgeted items have a clear purpose in the context of the proposed project.	6
